- Please note that funding is not available to individuals and sole traders.

How much can we apply for?

Community Grants of up to \$1000 are available.

- Any in-kind contribution in support of your project must be detailed in your application form.
- Late applications will not be accepted.

How we assess applications

All applications for a Helping Hands Mission Inc. Community Grant will be assessed by a panel of people working across the not-for-profit sector. The panel will use a comprehensive assessment process to identify the projects that we think will be most effective and impactful in building more inclusive and supportive communities.

Priority will be given to projects that work to address a demonstrated community need and have a clearly identified process for delivery. If you are applying for part funding of a project, just be clear on the component of the project that our grant will be funding (and where you'll be sourcing your additional funding from) to ensure we can assess your application properly.

Awarding the grants

All applicants will be advised in writing as to the success of their application by Monday 10th December, 2018. Successful applicants will receive a 'Grant Offer' letter as confirmation, with funding presentations taking place on Friday 14th December.

Funds will be transferred by electronic funds transfer into an account held by the successful organisation. The funds aren't transferable and can only be used for the purpose you've stated in your application.

If you miss out this year, we encourage you to apply for future rounds. We're happy to provide guidance for submitting strong grant applications.

Your Acquittal Report

If your grant application is successful, you will need to complete an Acquittal Report within 1 month of your project being completed. The report should explain how you met and measured your project outcomes, what was achieved, and who benefited. You will also need to include evidence that you used the grant funds.

We may ask you to provide original receipts of the purchases you've made – it's your responsibility to keep a complete set of records.

If you don't complete an Acquittal Report, you may be ineligible to apply for grants in the future.

We reserve the right to ask you to return any unspent funds as part of the acquittal process, in accordance with the Terms and Conditions stated in this Application Kit.

Our grant decisions are final

As you can imagine, with so many great applications, deciding where to allocate funds isn't easy. We do ask, however, that you respect our final decision. Whilst we won't enter into specific correspondence about the outcome of our decisions, you will be able to request feedback by emailing help@helpinghandsmission.org.au.
