Medical Condition Disclosure

The health and safety of our volunteers is important. To provide a duty of care to you as a volunteer, we need to understand if you have any pre-existing and/or medical condition(s), as well as emergency contact information in the case of a medical situation or emergency. It is important to disclose this information to ensure we are covered by the relevant insurance in case of a claim and to make sure we can best help you if you need emergency assistance.

Please list any pre-existing and/or current medical conditions in detail:

Are there any tasks that you are not able to perform due to physical limitations that we should know about or that may impact your ability to volunteer in certain roles? (For example: heavy lifting, driving, working outside or similar):

List any medication(s):

Is there any other additional information we need to be aware of when reviewing your application?

If insufficient space to record, please attach a separate sheet to this application with your additional information.

What next

Thank you for submitting your application. A member of the Helping Hands Mission team will be in contact to discuss what volunteering opportunities we currently have available for the days/roles you have nominated and arrange a time for you to complete our Volunteer Induction.

Please Note:

We are committed to protecting the privacy of our volunteer's personal information. Helping Hands Mission Inc. will use your name and address for communication purposes only. Our privacy policy ensures that information about a volunteer is not disclosed to a third party without the written consent of the volunteer. Refreshments (ie. Tea; Coffee; Milk; Sugar and Biscuits) are supplied for volunteers.
